

Guidelines for Street/Parkway Excavation

Barricades:

- All work shall be protected with barricades furnished by the person to whom the permit has been issued.

Backfilling:

- All material from a street excavation shall not be replaced in the excavation all street excavations shall be backfilled and compacted with CA6 grade gravel from the bottom of the excavation to within six (6) inches of the top of the excavation.
- The remained of the excavation shall be of like substance as the pavement removed.

Time to replace street excavations:

- All street excavations shall be replaced within two (2) working days provided the weather permits.
- The restoration of the surface shall be completed within fifteen (15) days of the completion of the excavation.

State Routes:

- If the work will done on a state route, written permission from IDOT (Illinois Department of Transportation) will be required prior to issuance of permit, and prior to any work being done.

Contractor Registration:

- All contractors working within the City of Lockport are required to be registered. No permits will be issued if the contractor is not registered. A copy of a City of Lockport Certificate of Registration is required to be submitted with all applications.

Fees:

- Based on the total valuation of the work to be done in the following amounts:

Less than \$300.00	=	\$10.00 fee
\$300.00 to \$800.00	=	\$20.00 fee
\$800.00 to \$1,000.00	=	\$25.00 fee
\$1,000 to \$20,000.00	=	\$5.00 per \$1,000 valuation

1. Where the total valuation of the work to be done exceeds \$300.00, a street excavation bond with a corporate surety or a cashier's check payable to the City of Lockport equal to 50% of the total repair.
2. Where there is work in a street or alley, evidence of a public liability and property damage insurance policy in force in limits of \$500,000 injury or death to any one person and \$1,000,000 injury or death as the result of any one accident and \$100,000 property damage naming City of Lockport as additional insured.
