

CITY OF LOCKPORT
TOBACCO LICENSE APPLICATION
(updated 8/25/16)

Application Fee: \$50.00

Application is hereby made to the City of Lockport for a business license for tobacco sales as per the Lockport Code of Ordinances, Chapter 134 Regulated Substances, Comprehensive Regulation of Tobacco Products (amended by Ord. No.: 16-009 & Ord. No.: 16-010, July 20, 2016).

Name under which Business will be operated:

Business Address:

Business Phone:

Please Check Type of Business:

- Commercial establishment having a section or department for tobacco product sales
- Commercial establishment having a liquor, food or restaurant license
- Tobacco Shop, only - no vapor or alternative nicotine products*
- Tobacco Shop, selling vapor products or alternative nicotine products*
- Vapor Shop*
- Alternative Nicotine Shop*
- Hookah Lounge/Café – freestanding only (cannot be a tenant in a multi-tenant commercial building)*
- Cigar Lounge/Bar – freestanding only (cannot be a tenant in a multi-tenant commercial building)*

***These types of businesses are subject to the following:**

1. All tobacco, vapor, and alternative nicotine products shall be pre-packaged. There shall be no custom product mixing or manufacturing.
2. Shall not be located within 100 feet of any school, child care facility, public park, or other building used for education or recreational programs for persons under the age of 18 years.
3. Shall not be located within 1,000 feet of any other tobacco shop, alternative nicotine shop, or vapor shop. Separation is required to prevent overconcentration, which is defined as three or more of these uses existing within a 1,000 foot radius of the business.
4. All tobacco, alternative nicotine, or vapor shops that include vapor product sampling shall install an air filtration system (such as a SmokeMaster E-Cig Smoke Air Cleaner or similar type system) that removes the accumulation of smoke and/or vapor mist from inside the business establishment. **NOTE: air filtration system must be installed and operational prior to license being issued - Building Permit Required.**

5. All alternative nicotine shops and vapor shops that include a vapor lounge component shall install an air filtration system (such as a SmokeMaster E-Cig Smoke Air Cleaner or similar type system) that removes the accumulation of smoke and/or vapor mist from inside the business establishment. **NOTE: *air filtration system must be installed and operational prior to license being issued - Building Permit Required.***

I, (we), do hereby certify that all of the information contained in this application for a Business License is true and correct; further that any false information provided for this application shall be grounds for revocation of the License as well as any other penalties provided by Law.

Note: This is an application for a Business License for Sale of Tobacco Products and it is understood that the business cannot be conducted until a License is issued by the City Clerk of the City of Lockport, Illinois.

Note: The City's recent action in amending its Code of Ordinances does not alter or change any recently enacted regulations of the vape shop industry for the Food and Drug Administration (FDA). It will be your responsibility to comply with the new FDA regulations. The City's issuance of a permit to sell tobacco and vapor products does not mean the City has found your business to be in compliance with FDA regulations. Compliance will remain your responsibility.

I, (we), further state that I, (we) understand all of the Ordinances of the City of Lockport that pertain to the Sale of Tobacco Products in Lockport, Illinois.
